# FREE WILLS MONTH - JUNE

*As a local firm we recognise the importance of putting something back into our community and over the years we have supported various local charities.*

Since 2015 our chosen charity has been the Queen Elizabeth Hospital in King's Lynn and this year we are supporting their latest fundraising campaign, Excellence in Elderly Care ("Excel").

Two thirds of the UK's adult population have not yet written a Will.

To ensure that you are happy with what would happen to your property

*Left to right – Sarah Fiddy, Eike Warren, Julie Easter, Louise Dobie and Kirsten Wheeler.*

when you die, you should make a will. Without one your family, friends and favourite charities may get nothing.

A will is vital especially if you have children or dependants who may not be able to care for themselves. Without a Will there could be uncertainty about who will look after them or provide for them if you die.

During the month of June we are offering you the opportunity to have a simple will\* professionally written or

updated free of charge.

If you decide to arrange an appointment there is no obligation to make a donation to our fundraising appeal, however we hope that you will see it as an opportunity to support your local hospital to buy specialist dementia software, a falls prevention kit, and adaptable chairs.

Appointments are limited and are allocated on a first come first served basis.

For further information or to arrange an appointment to make or amend your Will please call Eike Warren or Louise Dobie on 01553 692233.

\* for example - a will leaving everything to your partner or spouse and then to children or to charity. We are happy to discuss your will requirements when you contact us.

**All Donations to our Charity of the year...The Queen Elizabeth Hospital King's Lynn,**
